

Hunters Creek – Pet Documentation Project
Allie Woodhouse - petfind@hunterscreeksatx.org

Dear Neighbor,

The HC free Pet Registry for pet owners in HC and surrounding area has been up and running for over two months now. The registry includes identifying information and photos, and aids in returning lost pets to owners. To date the HC Pet Registry has reunited 9 animals with their owners, 1 animal's owner was from Shavano Park, 1 from Elm Creek, 2 from North Hunters Creek, and 5 from HC, 2 of the HC pets were found in Elm Creek.

We have scheduled a **registration and photo day for pets on 15 September 2007 from 8am to 12pm** at the HC Community Center, located at 3630 Hunters Circle. For more information on the pet registry and to register your pet online, go to Pet Registry on the HC website, www.hunterscreeksatx.org. An online registry will be added within the next couple of weeks. To register, simply fill out the online registration form. Except for the Pet Registry administrators, only you will have access to the information you list about your pet. Until the registry goes online, there are forms, which you can fill out and email to me. For those people who do not have access to a computer, we will have forms you can fill out on 15 September, or you can call 479-5852 to get a form.

The Bexar County Humane Society mobile unit for micro-chipping of pets will be available and charge \$25.00 per pet with no additional life time fees. Local vets on average charge \$65.00 for micro-chipping so this is a great deal. The process takes a few minutes and aids in your pet's return home if lost. We are also hoping to have pets that will be available for adoption.

If anyone would like to help out with this project, please contact us. The more participation with the HC pet Registry, the greater chance we get to reach our goal: **NEVER HAVING TO EUTHANIZE A PET AGAIN**. Please get your pets registered to help everyone in the community.

Thank you, and I hope to see you on September 15th.

Project Leader,
Allie Woodhouse
